

IRISH AMERICAN ALLIANCE CALENDAR AS OF JULY 1, 2024:

August 11, 2024: IAA Picnic. Please see enclosed flyer.

August 15 through August 18, 2024: IAA Members will attend the Milwaukee Irish Fest, which is the largest Irish Fest in the world. The fest is most popular for its musical attractions, but there is very little of Traditional Irish Culture which is left out. IAA members ordinarily stay overnight at local hotels and attend the event on Saturday and Sunday. Note, the Fest usually includes strong finishing acts for those who may be interested in staying overnight on Sunday.

August 23 through August 25, 2024: Chicago Gaelic Park Annual Chicago Gaelic Park Irish Fest. IAA members will be attending. We usually attend in a big way on Saturday Afternoon and Evening and Sunday Afternoon and Evening.

September 13th : The IAA will be "piggy backing" on the Southside Irish Parade Golf Outing this year, as we did last year. Details will follow, but in the interest of supporting the Southside Irish Parade Committee in their events, we are looking to put together as many golfers as we are able. The IAA is partially sponsoring the player fee. Call for details August 15th

September 14, 2024: The Half-Way to St. Pats Day Sox Game. This year - a bus and the usual accoutrements. The way the Sox are playing, we may have the park to ourselves.

We look forward to seeing you at our events, and we are open to suggestions.
